USE PROFESSIONAL SKILLS TO PROVIDE **PRO BONO SERVICES**

SUPPORTING LOCAL NON-PROFITS IN THE PITTSBURGH COMMUNITY

Are you looking to give back to your community and connect with likeminded individuals along the way? IISE Pittsburgh's Pro Bono Program is a great way to utilize your current professional knowledge to provide life changing support to Pittsburgh non-profits.

IISE PITTSBURGH PRO BONO PROGRAM

WHAT?

The IISE Pittsburgh Pro Bono Program is designed to **partner with local non-profits** to provide practical solutions to help them better achieve their goals.

WHO?

Chapter members will work together on project teams to deliver **support to non-profits using their deep industry expertise**. No specific professional skills are required.

WHY?

The education acquired through schooling and skills developed on the job doesn't need to be siloed in our work setting. **The Pro Bono Program allows you the opportunity to:**

- **Serve the local community**
- Connect to organizations and people to **make an impactful change**
- **Build relationships** with likeminded individuals on your project team
- **Gain real-world problem-solving experience** using industry specific tools

HOW WE WORK ?

1. **Express interest participating** in pro bono support through our **website or email**
2. Our team will evaluate the needs of interested non-profits
3. Interested participants will be **grouped on project teams assigned to a non-profit**
4. Project teams will **scope, plan, and deliver** our services through partnership with the non-profit

Time Commitment

2-4 hours per week

Project Duration

8-10 weeks
